PRESS RELEASE

January 26, 2012

The Traffic and Safety Advisory Committee have openings for qualified city residents who are interested in serving. The members of the Traffic and Safety Advisory Committee provide advice to the Mayor and City Council on changes needed in the City's transportation network to improve vehicular and pedestrian safety and the efficiency of traffic movement. Problems, which may be addressed by the Traffic and Safety Advisory Committee, include those that may require either short or long-range solutions. The Committee may also make recommendations that affect the transportation network lying outside the City limits, if such recommendations would have an impact on traffic and safety issues within the City.

If you are interested in serving on this Committee, please submit a letter of interest with a description of your qualifications to the following address:

Office of the Mayor
125 N. Division Street
Room 304
Salisbury, MD 21801

All letters of interest must be received by Thursday, February 9, 2012.
