CITY OF SALISBURY BUILDING THERMAL ENVELOPE DESIGN AFFIDAVIT

C402.5 AIR LEAKAGE----THERMAL ENVELOPE (MANDATORY)

(TO BE FILED WITH BUILDING PERMIT APPLICATION PRIOR TO ISSUANCE OF THE BUILDING PERMIT)

STATE OF _____, COUNTY OF _____ TO WIT:
I HEREBY CERTIFY, that on this _____ day of _____, _____, before me, the
Subscriber, a Notary Public for the state and county aforesaid, personally appeared _____
_____ who made oath in due form of law as follows:

1. I am competent to be a witness in a judicial proceeding, am over 18 years of age and have personal knowledge of the facts asserted herein.
2. I am a current licensed architect in the state of Maryland, license number _____
3. I am the architect of record for the project known as _____ located at _____
_____, Salisbury, MD (herein referred to as "Property")
4. I understand that City of Salisbury has adopted the Maryland Building Performance Standards which includes the 2015 International Energy Conservation Code (IECC), and that Section C402.5 of the IECC mandates that the thermal envelope of buildings comply with Section C402.5.1 through 402.5.8, or the building thermal envelope shall be tested in accordance with ASTM E 779.
5. I understand that if the building thermal envelope is designed in accordance with the aforementioned Sections (C402.5.1 through 402.5.8), that the thermal envelope will not be required to be tested.
6. I understand that this requirement only applies to new commercial structures or additions to existing commercial structures, and that a commercial structure is defined in Section 202 of the IECC as all buildings that are not included in the definition of "Residential Buildings."

I DO SOLEMNLY AFFIRM under the penalties of perjury and upon personal knowledge that the project described herein is designed to comply with Sections C402.5.1 through 402.5.8 of the 2015 International Energy Conservation Code or meets the testing requirements contained therein.
