January 1, 2014

The City of Salisbury Department of Public Works has prepared a book of Construction Standards to be utilized by all Engineers, Land Surveyors and Contractors involved with roadway and utility construction within the jurisdiction of the City of Salisbury.

This book known as "Construction Standards" is available for a fee of fifteen dollars (\$15.00) for material and printing costs. Alternatively, this book, along with the "Construction and Material Specifications for Utilities and Roadway Construction" book is available in pdf format on a CD-ROM for a fee of ten dollars (\$10.00). For either option, there is a \$3.00 fee for postage and handling.

The purchaser of this book shall note that the City intends to update sections of this book as needed. It will be the purchaser's responsibility to obtain the latest revision(s) at the above address. Each specification will be dated with the latest revision date. Revisions may be obtained by providing an email address.

Individual Construction Standards revisions will not be mailed, however a complete Construction Standards book can be obtained by mail by submitting the purchase order form and check to the above address. All checks shall be made payable to the City of Salisbury.
