**Re:** Chronic Nuisance Inspection Fee Ordinance

---

Attached you will find the final draft of an ordinance adding an inspection fee in the newly created Chronic Nuisance Property legislation.

Section 15.27.030 of the Property Maintenance Code requires that a property owner who receives a Chronic Nuisance Property designation, pay an inspection fee set by ordinance. That inspection fee was not included in the original ordinance.

I am proposing the inspection fee to be one hundred dollars (\$100.00). This fee is consistent with the reinspection fee amounts that NSCC currently has in place.

Unless you or the mayor has any questions please forward this information to the city council for review and consideration.
