25 Session due to illness.
26

27 **1301 West Road/Zenora Dutton Annexation**
28

29 Council was joined by Salisbury/Wicomico County Long Range Planners Keith Hall and Jaleesa
30 Tate. Ms. Tate provided an overview of the Dutton property, which is 29,000 sq. feet and contains a
31 single family detached dwelling and explained that Planning & Zoning's recommendation for R-8
32 Zoning of the parcel, which is consistent with the current Comp Plan and retains character with the
33 existing neighborhood.
34

35 Mr. Hall reviewed the material provided for Council and explained that the Salisbury City Code
36 limits this particular type of annexation petition. If a property is adjacent to the City boundary it
37 can't become a new part of an Urban Service District. The Public Health Officer must deem the
38 water and/or septic a public health issue in order for the property owner to become an "out of town"
39 customer.
40

41 Council questions and discussion points included:
42

- 43 • Opportunities to communicate with the neighbors
- 44 • Should a broader effort of outreach be considered?

- 45 • Failing septic systems and water quality issues existing in the neighborhood
- 46 • Urban Services
- 47 • Health Department has not weighed in on the water quality
- 48 • Associated connection fees
- 49 • Mr. Hall will contact the Health Department to inquire about other wells in the neighborhood

50

51 The next step requires the Planning Commission to consider the annexation. Afterwards, the
52 introduction, resolutions, and public hearing will be scheduled with the City Council.

53

54 Council reached unanimous consensus to move forward with the annexation process.

55

56 **Park Memorial Bench donation**

57

58 Council was joined by Public Works Director Mike Moulds to discuss the memorial park bench
59 donation from Donna Faw.

60

61 Council reached unanimous consensus to advance the donation to the next legislative agenda.

62

63 **Changes to the Composition of Housing Board of Adjustments & Appeals**

64

65 Acting Director Neighborhood Services and Code Compliance Susan Phillips joined Council at the
66 table to review the changes made to the legislation at the November 4, 2013 Work Session to require
67 that all Housing Board Commission members should be City residents.

68

69 Council reached unanimous consensus to change the composition of the Housing Board to include
70 one (1) realtor or landlord. Mr. Spies and Mrs. Shields agreed that the remainder four members
71 should include one (1) renter and three (3) homeowners. Mr. Day indicated preference to include a
72 member from a professional field.

73

74 Council reached unanimous consensus to schedule the discussion for a future Work Session when all
75 five (5) members of Council are present.

76

77 **Manufacturing Tax Exemption**

78

79 Internal Services Director Keith Cordrey joined Council to discuss the possible exemption of 100%
80 of all the manufacturing equipment, which would have the effect of \$826,866 less in Personal
81 Property (PP) Tax income per year. He suggested that dedicating a portion of future increases in real
82 property tax revenues to allow the City to phase in the exemption of manufacturing equipment
83 would make the process easier for the City to fund.

84

85 Mr. Cordrey provided the following summary of how other Maryland municipalities are handling
86 their manufacturing exemption requests:

87

- 88 • Annapolis is the only other City in Maryland that grants a “special abatement process” by
89 request only

- 90 • In Wicomico County, Delmar, Fruitland, and Pittsville, the exemptions are automatically
- 91 100% exempted
- 92 • The other municipalities in Maryland have none
- 93 • None of the towns in Worcester County are exempt

94
95 Mr. Cordrey suggested decoupling the PP Tax rate from the real property tax rate because each time
96 the Real Property tax rate is increased, the businesses are impacted, and also suggested lowering the
97 rate. Mr. Day requested an example from Administration showing the impact of the decoupling.

98
99 Council reached unanimous consensus to return the manufacturing tax exemption discussion to a
100 future work session.

101

102 **Electronic Control Devices (Tasers)**

103

104 Police Chief Barbara Duncan and Acting Sergeant Whitman joined Council at the table. Chief
105 Duncan provided a PowerPoint presentation to assist with the explanation of Tasers, explained how
106 the Police Department plans to utilize them, and addressed safety issues. She will return to Council
107 to report on the use of Tasers after twelve (12) months and will provide data on Police Officers’
108 personal injury reports as a result of the use.

109

110 Council reached unanimous consensus to advance the legislation.

111

112 **SAFER Grant – 1 Year Performance Report**

113

114 Council was joined by Fire Chief Rick Hoppes, Deputy Chief John Tull, and Assistant Chief Darrin
115 Scott to report on the SAFER Grant one year performance.

116

117 Chief Hoppes informed Council the goals and objectives of the SAFER grant were exceeded. The
118 two (2) year grant performance period ends October 2014, and when the Fire Department can make
119 application for the grant again, Chief Hoppes indicated plans to do so. He also recommended
120 maintaining permanent employment of the twelve (12) fire personnel hired in the grant, which will
121 necessitate budgeting \$700,000 extra per year.

122

123 Reiterating that he was at this time only reporting on the performance, Chief Hoppes avowed to
124 present options at a later time on how to ensure the progress continues so as not to lose the positions.

125

126 **Charter Resolution No. 2348 – Procurement Preference Policy**

127

128 Jennifer Miller, Assistant Director of Internal Services – Procurement & Parking, joined Council to
129 discuss the Procurement Preference Policy.

130

131 Ms. Miller explained that Line 29 of the drafted Charter Amendment was inserted in order to
132 piggyback on Maryland law because the State already has done the background work.

133

134 Council reached unanimous consensus to advance the legislation to the January 27, 2014 meeting.

135

136 **Pay for Elected Officials Ordinance**

137

138 Council reached unanimous consensus to discuss Pay for Elected Officials at a later date when all
139 five (5) Council members are present.

140

Dec. 17, 2013

Hello. My name is Harry R McCoy. I am 66 years old and retired. A serious illness related to Agent Orange exposure in Viet Nam caused me to have to quit work in the summer of 2008. I spent several years building myself up after my hospital stay in August of that year. I spent that time walking, bicycle riding and roller-skating and they helped my recovery and strengthened me.

I took advantage of the free time to write that book about my time in Viet Nam that I had always wanted to. It became a modest success so I followed it up with another and now am writing a third for a local publishing company.

My parents moved to the Eastern Shore in 1954 and I grew up in Somerset County, the son of a school principal. I quit college in 1966 to buy a car and then go back, which in retrospect was a very foolish decision, as I was soon enmeshed in the army and fighting a war I had no desire to fight.

After two years in the army, I came back to Somerset County and worked for Eastern Shore Oil for a year, then accepted work at Horner Honda in Salisbury. I worked for this company for 37 years, first as a mechanic, then as service manager for over 30 years, until I fell ill.

I am now at a time in my life that I feel that it is time to give back to the community. I work occasionally in Chance, Md. helping in rebuilding the 102-year-old skipjack Kathryn, since I grew up with the owner, Mr. Harold Whitelock. These lovely old boats are part of our heritage, and they need people to keep them in good repair and doing what they were built to do. I am by no means a shipwright, but I have always been interested in sailboats and owned a modern one for twenty years until my sickness. I have been around boats all my life and have built two small sailing rowboats.

Old buildings also interest me greatly, and I think it important that we keep these memories of yesteryear in good repair so we can pass them on to future generations. Aleta Davis came to one of the meetings of the Writer's Bloc and talked about becoming a volunteer at the Poplar Hill Mansion, and I was immediately interested and soon joined. I have helped them every chance I get and enjoyed it immensely for the last eight months or so. The thought that I am one of the people that lovingly keep the building in good repair and clean is quite fulfilling to me.

I would like to further that help by becoming a member of the board, and request that you please consider me for that position. I thank you very much for the consideration. My phone no. is 410-860-2017 and my e-mail is hrmccoy01@comcast.net should any questions arise.

Dear President and Board of Poplar Hill Mansion,

January 14, 2014

My name is Rita Tiso. Most of you know me, as I have been a Friend for 13 years, served on the Board three terms, and for the last few years as a volunteer. With some of the Board members' terms ending, there is a need for replacements. I have the skills for the job, and have proven to be an asset in fund-raising, hospitality, and horticulture. I work well with others, both as a member of a team and as a leader. It is for my love for Poplar Hill, its history and what it means to the community, that I continue to volunteer my time and talents. For these reasons, I am seeking a fourth term as a Board Member, and I thank you in advance for your consideration.

Should you have any other questions, you may contact me either by e-mail at mrtiso@hotmail.com or by phone at 410-546-0342.

Sincerely,

Rita Tiso

Dear Mr. Mayor:

I am applying for the docent representative position on the Zoo Commission. Margot Hall, the previous representative, had to resign for health reasons. I was approved by the docents at the recent meeting and by Ron Alessi of the Zoo Commission. I now need the approval of you and the city council.

My background is: I have been a resident of Wicomico County for the past fifty years. After graduating from James M. Bennett High School, I attended Salisbury University and received a bachelor's degree in English education and a master's degree in education. I taught in Wicomico County for 28 ½ and retired in 2010.

I became involved with the Salisbury Zoo in 2011 as a docent. At the Salisbury Zoo I have been involved with Story Time, Halloween Happenings, guided tours, zoo camps, and Earth Day. Other community involvements include mentoring a student at Mardela Middle and High School for the last four years, being secretary for Disability Advocates of Delmarva, and volunteering at the Carriage House at St. Francis deSales Catholic Church.

I hope the Salisbury City Council will consider approving my application for the Zoo Commission.

Sincerely,

Karen Lutz

I have served on the Salisbury Zoo Commission for the past three years and have found the experience valuable from the perspective of a community member and from the perspective of an educator. At this time, I am requesting consideration for continued membership on the commission as well as the continued role as chair of the education subcommittee, as my current appointment is scheduled to end later in January, 2014. TO: Mr. Tom Stevenson
Acting City Administrator

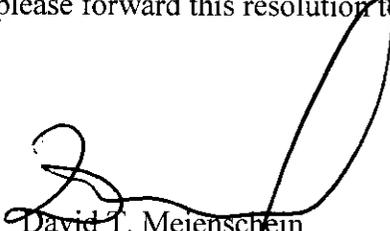

FROM: Major David Meienschein

SUBJECT: Ordinance – Requesting Current Year Surplus Funds for Purchase of Electronic Control Devices, (ECD's) Pilot Program.

The Salisbury Police Department respectfully requests a transfer from the Current Year Surplus Fund to the Police Services – operating account in the amount of \$12,500.00. This transfer is for the purchase of Electronic Control Devices, (ECD's). The cost also includes Video recording devices which will be attached to each unit and all necessary supplies for initial implementation.

This equipment will be deployed within the police departments patrol squads and become part of the use of force continuum as part of a less than deadly force option to subdue non-compliant or combative offenders.

The benefit of this technology is such that police officers will have a use of force tool to gain offender compliance without having to put hands on the offender which risks injury to the police officer as well as workman compensation claims.

Unless you or the Mayor has further questions, please forward this Ordinance to the Salisbury City Council.

A handwritten signature in black ink, appearing to read "David Meienschein".
